“RENOVA Lighting Systems has been providing innovative lighting solutions for over 25 years. Jessica and Jeremy were honored to purchase Renova in 2023, continuing the proud legacy left by former U.S. Veteran and founder. It is a woman-owned small business with a continued history of success in the commercial lighting and sheet metal fabrication industries. Renova is based out of Warwick, Rhode Island. We have a reputation for the highest quality products and service.
